

CERTIFICATE OF NON GMO ORIGIN

This is to certify that all Joe White Maltings barley and wheat malt products produced by Cargill Malt Asia Pacific Pty Ltd are of natural origin and free from genetically modified organisms. All barley and wheat used in Australian production is sourced only from locally (Australian) grown varieties of which no GMOs are propagated in commercial quantities.

This certificate is issued for the 2015/16 crop year.

A handwritten signature in black ink, appearing to read "L. McIntyre", written over a dotted horizontal line.
