BEST Black Malt

Crop: 2017

Produced from quality spring barley. BEST Black Malt is produced from green or kiln-dried malt which is roasted using a smooth and gentle technology. Evenly roasted malt kernels with optimal processing features are the outcomes of this advanced technique fine-tuned by our experienced malt masters. This malt gives the beer greater depth of color and adds more intensive nuances of chocolate or coffee aromas. The malt flavor is emphasized.

Flavor: Dark cacao, Coffee aroma
